

H1 response function evolution with time
(blue=start of epoch; yellow=end of epoch)

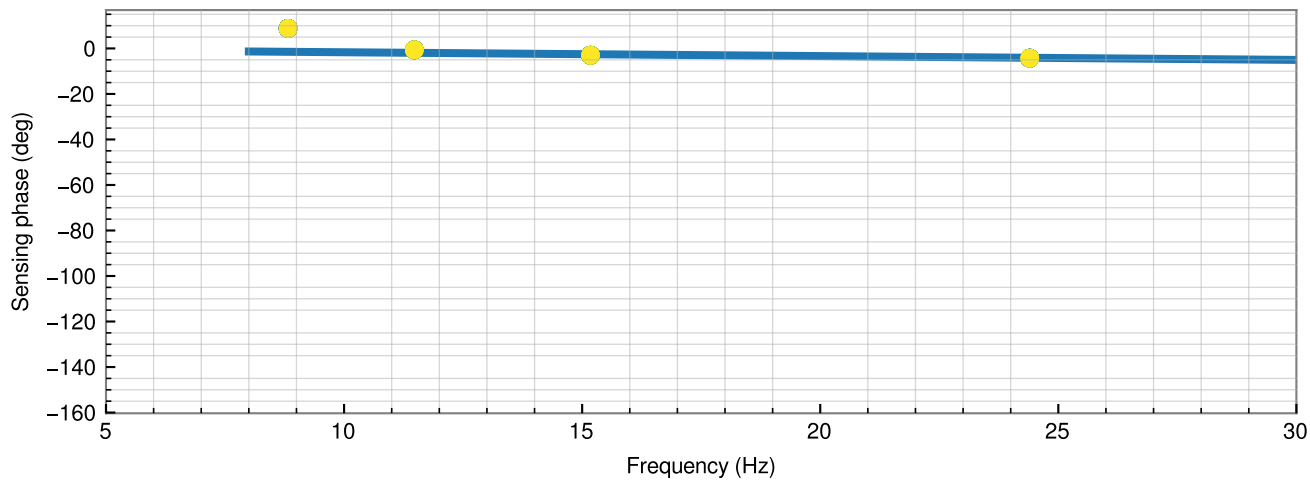

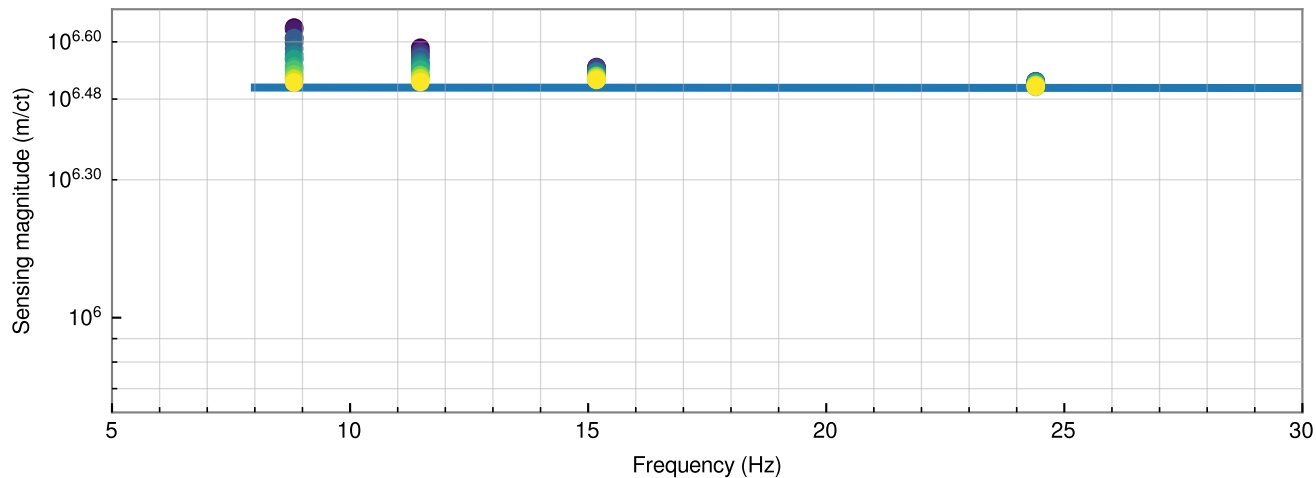

H1 response function evolution with time
(blue=start of epoch; yellow=end of epoch)
Measured response / reference response

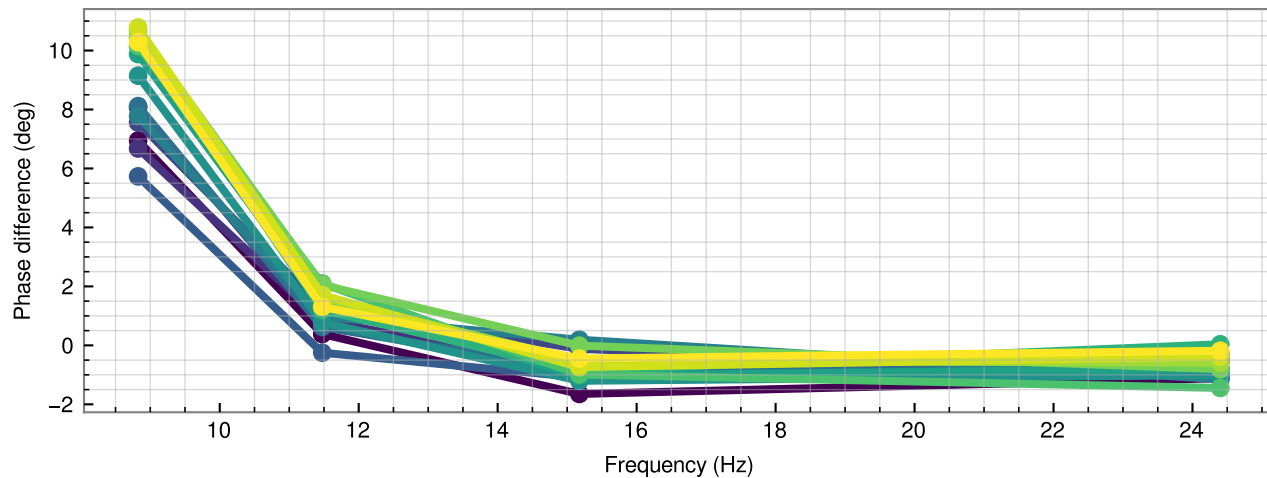

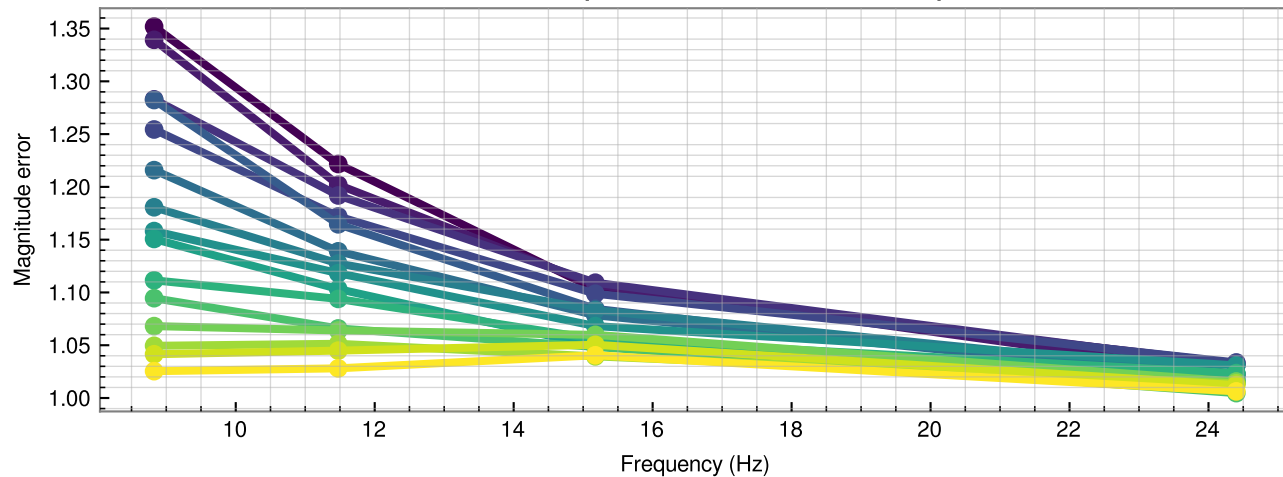

H1 response function evolution with time
(blue=start of epoch; yellow=end of epoch)
Measured response / nominal response

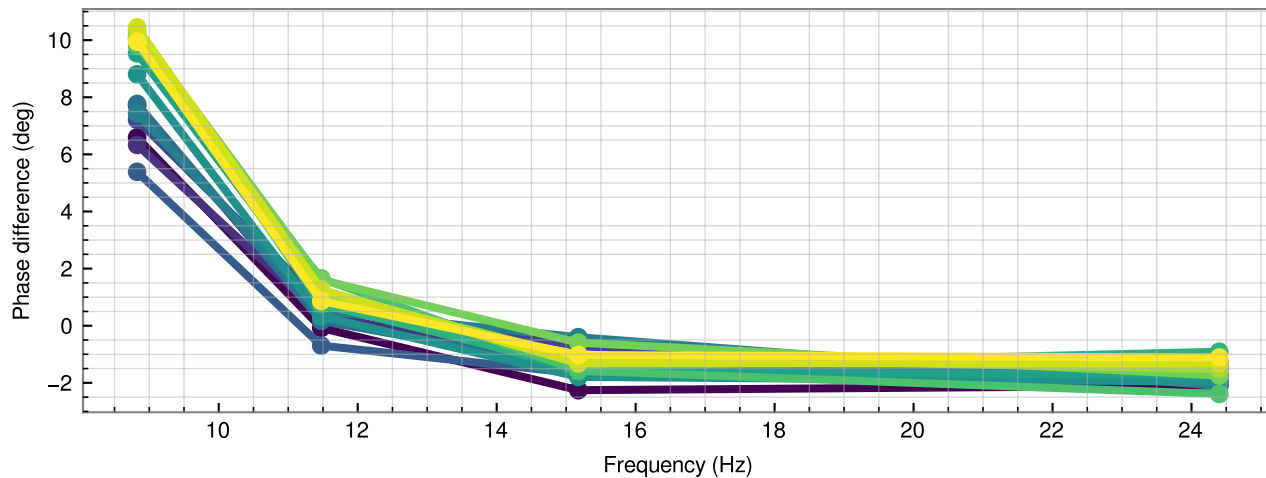

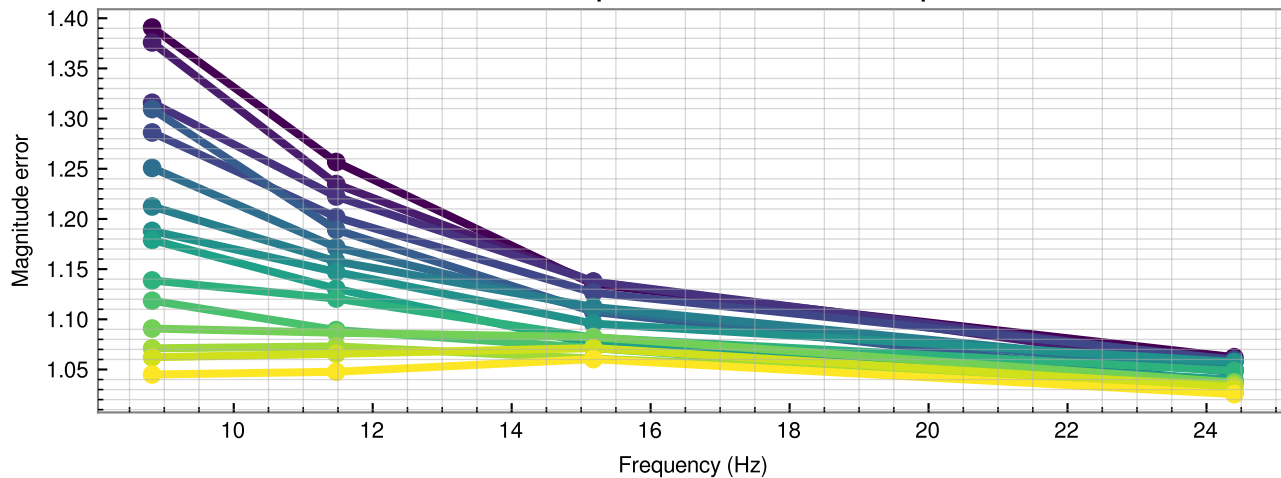

H1 sensing function evolution with time
(blue=start of epoch; yellow=end of epoch)

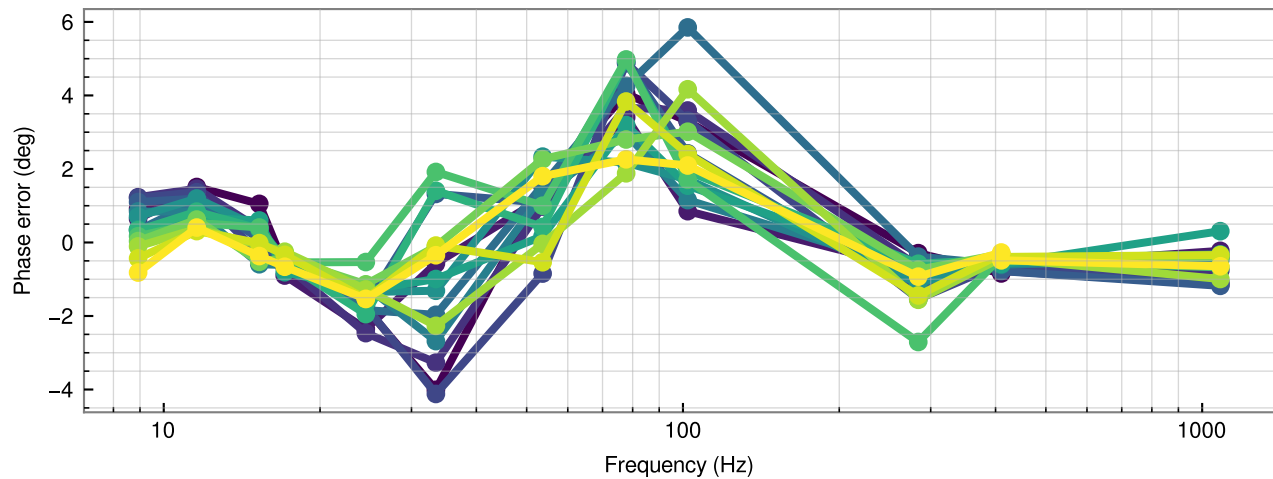

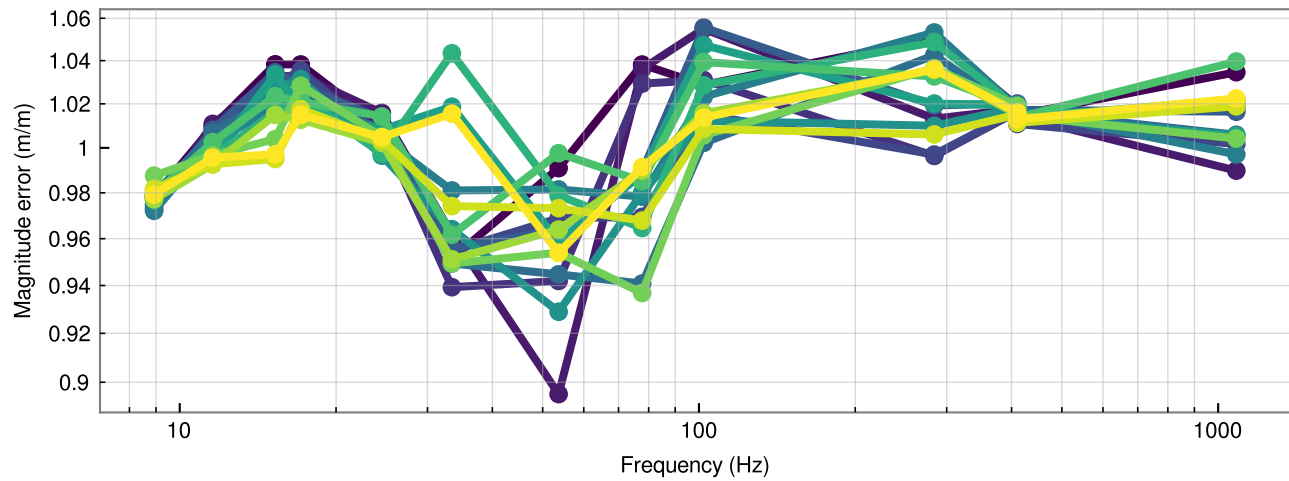

H1 sensing function evolution with time
(blue=start of epoch; yellow=end of epoch)
Measured response / reference response

H1 sensing function evolution with time
(blue=start of epoch; yellow=end of epoch)
Measured response / nominal response

H1 systematic error evolution with time
(blue=start of epoch; yellow=end of epoch)

H1 TDCF values
